

# Blessing for Learning Torah

|               |                                                                                   |                          |
|---------------|-----------------------------------------------------------------------------------|--------------------------|
| Thank You G-d |  | <i>Baruch atah</i><br>ה' |
|---------------|-----------------------------------------------------------------------------------|--------------------------|

|                               |                                                                                   |                                                     |
|-------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------|
| Sovereign of<br>the Universe, |  | <i>Eloheinu</i><br><i>Melech</i><br><i>ha'olam,</i> |
|-------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------|

|                                                 |                                                                                    |                                                         |
|-------------------------------------------------|------------------------------------------------------------------------------------|---------------------------------------------------------|
| who has made<br>us holy through<br>commandments |  | <i>asher</i><br><i>kiddishanu</i><br><i>b'mitzvotav</i> |
|-------------------------------------------------|------------------------------------------------------------------------------------|---------------------------------------------------------|

|                                                     |                                                                                     |                                                    |
|-----------------------------------------------------|-------------------------------------------------------------------------------------|----------------------------------------------------|
| and commanded<br>us to engage in<br>words of Torah. |  | <i>vitzivanu la'asok</i><br><i>b'divrei Torah.</i> |
|-----------------------------------------------------|-------------------------------------------------------------------------------------|----------------------------------------------------|

Amen.
