### Tree Ring Puzzle Booklet Clue

Print these tree cookies on cardstock and cut them out.

After students show you their list of 15 things we get from trees, hand them this question so that they may solve the 4-digit lock puzzle.

**If one plants a  
tree the day after  
Tu B'Shevat in 2018,  
what year will it be in  
four-and-a-half years  
when you can  
eat the fruit?**
