- For whom was the symbol? Could God have known which were the correct houses without the blood?
- Why might people need the symbol?

חג המצות

Chag Hamatzot

- How is matzah different from other bread?
- How are the tastes different?
- How are the textures different?
- What does each of the breads remind you of? Celebration? Sadness?
Something else?

- Does this song sound like a song of freedom? Why or why not?
- What other songs can you think of, if any, that sound like freedom?

- How does the world smell different during the spring than during the rest of the year?
- Why does it matter that Pesach falls during *Aviv*?
