

## Put Your *Lev* in the Torah

### Materials Needed:

- Colored paper
- Scissors *or* Die cut machine
- Glue

### Advanced Preparation:

Using a die cut machine, cut the colored paper into heart (*lev*) shapes and scroll shapes.  
(Optional: instead of using a die cut machine, have your students cut the paper by hand.)

### Procedure:

1. Decorate the hearts. Students can write the letters "*lamed bet*," to spell *lev*, or heart
2. Glue the heart in between the scrolls.
