

This Comes From A Tree?

Trees give us food:

| | | |
|---|--------------|--|
| almonds | figs | pears |
| apples | grapefruit | pineapples |
| avocadoes | lemons/limes | plums |
| cherries | mangos | pomegranates |
| chestnuts | maple syrup | spices (like cinnamon, nutmeg, bay leaves, cloves) |
| chocolate (from the seeds of the cacao tree) | nuts | tangerines |
| coconuts | olives | |
| dates | oranges | |
| | peaches | |

Trees give us a better environment in which to live by providing:

| | | |
|-----------------------|----------------------|-----------------------|
| shade from the sun | home for wildlife | absorb Carbon Dioxide |
| shelter from the wind | oxygen for breathing | prevent soil erosion |

Wood from trees is used to make:

| | | |
|---------------------|---------------------|-------------------|
| baseball bats | drumsticks | popsicle sticks |
| birdhouses | fence posts | railroad ties |
| boats | firewood | roller coasters |
| bridges | furniture | shingles |
